VERIZON WELCOMES MCI CUSTOMERS!

Dear

Verizon and MCI are pleased to announce the opportunity to deliver ongoing value to MCI customers by transitioning telephone service from MCI to Verizon - a company with the strength of carrying over one billion calls a day at 99.9% network reliability.

MCI will no longer provide residential or small business local, and bundled local, local toll and long distance telephone service in your area, subject to state and federal approvals. While you will experience a change in providers, you will continue to enjoy exceptional telecommunications service from Verizon.

According to our records, your local, local toll, and/or long distance service is provided by MCI. If MCI is not your current provider for local, local toll, and/or long distance service, your service with another provider will not be affected. Please review this letter and consider your options to replace your MCI service.

You have three options to choose from:

1. CALL VERIZON directly before JUNE 4, 2009, to select the plan of your choice. Turn the tables on the economy and take advantage of Verizon's current promotions by calling now! Contact Verizon at 1-877-953-5552 to learn about the wide variety of voice, video and internet product and bundle options.
2. SELECT ANOTHER PROVIDER. To make this change, you must call that provider directly. You will be responsible for any charges imposed by the new provider for making this change.
3. CHOOSE NOT TO TAKE ANY ACTION and your service will be easily and automatically transferred to Verizon at no cost to you.

If you do not contact Verizon and you do not select another provider before JUNE 4, 2009, your telephone service will be changed to Verizon and your calling plan will be Freedom Essentials. It includes unlimited calling within the United States and Canada. Also included are Call Waiting, Caller ID and Home Voice Mail (where available) for one low rate of \$49.99 per month. Certain calling features you may have used will not be included in your new calling plan.

(please see other side)

Your international calls will be billed under the International Choice Plan with City Rates. You'll be able to call abroad with the lowest rates Verizon Long Distance offers to over 240 countries and over 55 international cities for a low monthly fee of \$4.99. Rates apply 24 hours a day, seven days a week, and vary by country. If you spend \$10 per month or more making international calls, our International Single Rate plans may provide you with a better value.

If your telephone service will be provided by Verizon, you'll receive a welcome letter from Verizon. A final bill will come from MCI, and your new monthly bill will come from Verizon. You'll be notified in your monthly bill if there are any changes to your rates, terms or conditions. You won't incur any charges for the automatic transfer to Verizon. You may change your calling plan by calling Verizon after the transfer.

If you transfer your local telephone service to another carrier or your service is migrated to Verizon, you'll need to re-establish any blocking options you currently have, including 900 number blocking and collect call blocking. If you have any local, regional toll and/or a long distance preferred carrier freezes, MCI will remove them in order to transition your service to Verizon. If you change to another carrier, you must first contact MCI to lift the preferred carrier freezes. Once you've transferred your service, you can contact your new carrier to re-establish the freezes.

If you have any questions regarding this notice, your MCI account, billing issues, complaints, or the discontinuation of service, please call MCI at 1-800-444-0003.

Verizon looks forward to the opportunity to serve your telecommunications needs. For questions regarding your new Verizon account or Verizon service options, don't hesitate to call us at 1-877-953-5552 or visit www.verizon.com.

Sincerely,

Verizon and MCI
